

The United Medical ENT and Facial Plastic Surgery Department now has 3 Board Certified physicians, Isaac Matta, MD, M. John Abdo, MD and C. Henry Larson, MD, with over 50 years of combined experience in the field. Practicing the region's most advanced surgical technology, our office is conveniently located at Wilson Square, 30 Harrison Street, Johnson City, NY. We have an exceptional nursing and front office staff whose main goal is to provide the BEST service possible to patients and families. We hope you will take advantage of the scope of services we offer.
